MESSAGE

I am delighted to know that the Nayar Samaj Co-operative Hostel Ltd. celebrated its Centenary, commemorating 100 years of dedicated service to the Malayalee community residing in Mumbai.

India is a land of diverse communities, languages and cultural heritages, which together make the nation more vibrant and prosperous. People from every community, whether living in their native state or pursuing livelihoods in other parts of the country, have been playing a vital role in the progress of both their region and the nation, thereby strengthening the social, cultural and economic fabric of the country.

It is heartening to note that the Nayar Samaj Hostel, Dadar, over its decades-long journey, has not only united the Malayalee community but also actively promoted and preserved Kerala's arts and culture while extending welfare services. I hope that this journey will continue for many years to come, further supporting and empowering the Malayalee communities as it grows and expands.

I extend my best wishes to all the members of the organisation and wish them all success in their future endeavours.
